

Shellac Filler Sticks

- For filling holes and cracks in finished and unfinished wood prior to French polishing
- Sets very hard
- Colours are intermixable
- 3 colour tones per pack

Product use

Shellac Filler Sticks are the traditional repair sticks for filling holes and cracks prior to French polishing, lacquering and varnishing.

Application

Melt stick with a hot iron or soldering iron and run into the damaged area. Allow to harden and remove any excess with a scraper or sharp knife. Lightly sand to a smooth finish.

Important: Always test product on a spare surface or inconspicuous area for colour, compatibility and end result.

Colours

Light, Medium and Dark

Packaging

Shellac Filler Sticks are available in 3 pack blister packs and a tin of 10.
