PRODUCT DATA SHEET

Product	Leather Balsam
Type	Paste balsam to care for leather furniture.
Intended Use	Maintenance/protection of the appearance of leather furniture and goods.
Special Features	Traditionally formulated from beeswax and blended oils to intensively nourish leather, giving lasting shine and protection.
Preparation	Not applicable.
Application	Apply sparingly with a soft cloth, gently rubbing the balsam into the leather. Apply evenly to the whole item. Polish immediately.
Coats	As required
Drying Time	Rapid
Re-coating Time	Immediate. Repeat as necessary.
Application Temp.	Ideally 15 – 25 degrees C.
Coverage	Not applicable
Maintenance	Not applicable
Compatibility	If possible, before using Lord Sheraton Leather Balsam always check the furniture manufacturer's cleaning instructions to ensure compatibility. Always check that the balsam is compatible with the item by testing on an inconspicuous area before treating the whole item, checking for any changes to the appearance and texture. If the item is part of a set, treat all items. DO NOT USE ON SUEDE OR NUBUCK.
Settlement	Not applicable.
Shelf-life/Storage	Many years if stored unopened in a cool, dry place.
Hazards	Flammable solid. Keep away from heat, hot surfaces, sparks, open flames or other ignition sources. No smoking. Keep away from children. May cause drowsiness or dizziness. Use outdoors or in well ventilated area. If medical advice is needed, keep product container or label to hand. Harmful to aquatic life with long lasting effects. For full SDS visit www.rustins.ltd/lord-sheraton
Clean-Up	Wipe off with white spirit.
Sizes	75 ml.
