

PRODUCT DATA SHEET

Product	Quick Dry Matt Emulsion Paint
Type	A high quality water-borne matt acrylic emulsion paint for interior walls, ceilings etc. Available in British Standard Colours white (BS00E55) and magnolia (BS08B15).
Intended Use	Mainly as a touching-up paint on surfaces that have been exposed to in-service wear and tear. For interior use.
Special Features	Quick drying. Low odour. Clean brushes in water. Formulated for ease of application. Dries to a smooth, matt finish.
Preparation	Surfaces to be coated must be clean, dry and free from wax, grease and contaminants likely to compromise the adhesion of the paint. If the surface has previously been painted, apply paint to a small test area to check compatibility. Do not apply to damp surfaces. Sources of damp must be eliminated before applying this paint.
Application	STIR WELL BEFORE USE. Do not thin this paint. Apply evenly with a synthetic fibre brush or roller. Cold, damp conditions will significantly extend the drying time. Do not use below 10°C.
Coats	A minimum of 2 coats are required.
Drying Time	Touch dry within 30 minutes, depending on temperature and humidity.
Re-coating Time	2 - 3 hours minimum, depending on temperature and humidity.
Application Temp.	Ideally 15-25°C. Do not use below 10°C or in conditions of high humidity.
Coverage	Approximately 14 sq. m per litre, 1 coat, depending on the absorbency of the surface.
Maintenance	Painted surface may be washed with a mild detergent solution and scrubbing brush and recoated if necessary.
Compatibility	Should be compatible with most paint products, however conducting a compatibility test is recommended.
Settlement	STIR WELL BEFORE USE. Ensure any sediment is thoroughly mixed in.
Shelf-life/Storage	Many years in a cool, dry place if stored in original, tightly closed container. Do not store paint below 5°C. Protect from frost and extremes of temperature.
Hazards	Non-flammable. Avoid contact with eyes and skin. Eyes and skin should be rinsed immediately if contact occurs with plenty of water. Seek medical attention. Keep container tightly closed and out of reach of children. Full Health and Safety Data Sheets are available on request or from Rustins website.
Clean-Up	Clean brushes and hands immediately after use with water. If dried on, clean equipment and brushes with Rustins Brush Restorer .
Sizes	250 ml.
