Wood Care

Lavender Wax Polish 150ml

This traditional lavender wax product is well known for its superb ability to care for and protect the natural beauty of your wood. Its special formula is a high quality, silicone free blend of waxes combined with the fresh summer scent of lavender essential oil.

Suitable for all woods, it buffs easily to give a long lasting shine and will help to provide protection from finger marks, staining and the drying effects of central heating.

Light Wax Polish 5 litre, 500ml, 100ml

Dark Wax Polish 5 litre, 500ml, 100ml

These are easy to use soft, wax polishes which contain beeswax and carnauba wax to feed, nourish, add shine and highlight the natural finish in wood. Used regularly they will maintain and build a natural sheen.

The light wax is a clear polish ideal for both light and dark woods, while the dark wax contains a stain suitable for dark woods. Both are silicone free and resistant to finger marking.

Matt Furniture Polish 200ml

A blend of wax and oils to remove finger marks and any dulling film from sealed and unsealed matt finish furniture. This silicone free polish is suitable for most woods, pine, oak and teak. It penetrates, feeds and protects the natural grain of unsealed wood.

Wood Soap 500ml

Removes dust, grease and stubborn stains from wood floors, skirting and furniture. The easy to use, no rinse formula leaves a clean surface and a fresh fragrance.

Butchers Block & Worktop Oil 200ml

An oil which provides an effective water repellent, matt sheen finish to unsealed wood. It penetrates the surface and replenishes the natural oils in the grain, without darkening. It is food safe and suitable for wooden kitchen worktops and butchers blocks.

Wood Varnish 200ml

Stain and gloss wood surfaces in one go. Tableau Wood Varnish is a quick and handy way of finishing or restoring wood furniture, doors, window frames & floors. Available in three popular shades: dark oak, mahogany & light oak.

Wood Revive 250ml

This is a one step furniture restorer that cleans and feeds all unsealed natural wood furniture. Its refined oils enrich and permeate the grain, restoring your wood's natural character and colour.

Scratch Cover

100ml Light, Medium, Dark

This easy to use formula restores your wood in an instant, quickly covering chips, scratches and other cosmetic defects in wooden surfaces.

There are three colours to choose from: light, medium and dark. Simply select the most appropriate shade for your wood (if unsure, try the lightest shade first). For a darker shade, simply repeat the process.

Wax-Free Polish

250ml

A wax free and silicone free spray polish for use on sealed wood furniture. Removes finger marks and dulling film to leave a rich, lasting shine. It also has a special anti-static agent that helps to reduce surface dust.

Wax Polish

Aerosol 250ml

A silicone free, convenient spray wax, which is a blend of carnauba wax and beeswax, specially formulated to penetrate and nourish all wood. It will enhance the patina of your most cherished furniture.

Ring Remover

150ml

This product is essential for any home with wooden furniture. If a glass or cup should leave a ring, you no longer need to worry. Simply apply Tableau Ring Remover and it will effectively remove the mark. After use, to refinish your wood, use a Tableau Wax.

Chalk Paint 1 litre, 500ml

Water-based, silicone free formula can be dragged, rag rolled, sponged or brush applied for a beautiful matt finish. Ideal for furniture, ornaments, picture frames, pots and interiors. Eight colours - mix together for different shades.
