

Version : 1

Revision Date: 18.03.2010

Date of printing : 09.11.2011

1. Identification of the substance/preparation and company

Trade name

Leather Recolouring Balm

Identification of the company

Rustins Ltd
Waterloo Road
London.
NW2 7TX

Information about the substance/preparation

Telephone: 02084504666

FAX: 02084522008

Email: rustins@rustins.co.uk

2. Composition/information on ingredients

Chemical characterization

Fatty acid amide emulsion stabilized in Morpholine Oleate

3. Hazards identification

The preparation described in this Safety Data Sheet is not classified as dangerous for supply, but it does contain at least one surfactant substance, and therefore may produce an allergic reaction.

4. First aid measures

General information

Take affected person to fresh air.

After contact with skin

In case of contact with skin wash off immediately with plenty of water

After contact with eyes

In case of contact with eyes rinse thoroughly with water.

Rinse out mouth and give plenty of water to drink.

Seek medical advice immediately.

Revision Date: 09.11.2011
Version : 1

5. Fire-fighting measures

Suitable extinguishing media

extinguishing measures to suit surroundings

Extinguishing media that must not be used for safety reasons

no restrictions

Further information

Fire residues and contaminated firefighting water must be disposed of in accordance with the local regulations.

6. Accidental release measures

Environmental precautions

Do not discharge into the subsoil/soil.

Methods for cleaning up/taking up

Take up with absorbent material (eg sand, kieselguhr, universal binder)

Clean equipment with water.

Additional information

Information regarding personal protective measures see, chapter 8.

7. Handling and storage

Hygiene measures

Wash hands before breaks and after work.

Hand protection: Protective gloves

Eye protection: safety glasses

Body protection: protective clothing

8. Exposure controls/personal protection

Hygiene measures

Wash hands before breaks and after work.

Hand protection: Protective gloves

Eye protection: safety glasses

Body protection: protective clothing

Version : 1

Revision Date: 18.03.2010

Date of printing : 09.11.2011

9. Physical and chemical properties

Form: Liquid **Colour:**

White **Odour:**

characteristic

Boiling point: approx. 100 °C

Flash point: > 100 °C

Density: approx. n/a

Solubility in water: miscible

pH value: 3.0 - 6.0

V.O.C : <0.5%

10. Stability and reactivity

Thermal decomposition : No decomposition if used as prescribed.

Hazardous decomposition products

When used and handled as intended, none.

11. Toxicological information

Acute oral toxicity : LD50 > 2,000 mg/kg (rat)

Irritant effect on skin : mildly irritant

Irritant effect on eyes : probably irritant

Remarks

The product has not been tested. The information is derived from the properties of the individual components.

12. Ecological information

Remarks

Ecological data are not available

13. Disposal considerations

Product

Dispose of in accordance with local authority regulations

Uncleaned packaging

Regulations concerning reuse or disposal of used packaging materials must be observed.

14. Transport information

ADR not restricted.

ADNR not restricted

RID not restricted

IATA not restricted

IMDG not restricted

Version : 1

Revision Date: 18.03.2010
Date of printing : 09.11.2011

15. Regulatory information

Labelling in accordance with EC-Directives

Non hazardous

16. Other information

This information is based on our present state of knowledge. It should not therefore be construed as guaranteeing specific properties of the products described or their suitability for a particular application.
